Schaumburg, IL 60173-5109

Dear SCC & Summit attendees,

Thank you so much for your very generous donations collected at the Spiritual Care Collaborative Summit totaling \$2,313.79. Your very thoughtful gifts will help us to continue and expand our mission to make sure every family experiencing this catastrophic injury with someone they love receives the comfort and HOPE they so desperately need during the early days of hospital care.

It is my personal mission and I believe calling to provide every family in Florida and eventually nationwide with one of our compassionate bags of comfort, hope and information so they know they are not alone. Thank you again for your support and please keep us on your annual giving list. We are a 501c3 non profit charitable organization so all donations are tax deductible.

May God Bless You All,

Tracy Porter  
Executive Director/Founder  
Mother of a TBI Survivor
